

JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 10 March 1964

1. (Internal Use Only - JGO) In response to his request for experts outside the government on the subject of polygraph and qualifications of polygraph operators, I provided Mr. Samuel Archibald, Staff Administrator, House Subcommittee on Foreign Operations and Government Information, with the following names: Mr. John Reed, John Reed Associates, Chicago, Illinois; Mr. Fred Imbou, Professor of Law, Northwest University; and Mr. J. Kirk Barefoot, Director of Security, McKesson Robbins, Inc. (See Memorandum For File)

2. (Internal Use Only - JGO) In Mr. J. G. Sourwine's absence from his office, advised Miss Fox that we knew of no organization for Czechoslovakia such as Mr. Sourwine described to Mr. Warner.

3. (Unclassified - JGO) Received a call from Miss King, Secretary in the office of Congressman George M. Rhodes (D., Pa.), requesting that the Agency provide the necessary application forms to [redacted] Reading, Pennsylvania. The Congressman's office would appreciate being kept up to date on the application. [redacted] is a college graduate, and received a grade of 85.6 for GS-7 level on the F.S.C.E. exam.

4. (Unclassified - GLC) Handcarried to Sue Miller, in the office of Senator Abraham A. Ribicoff, Mr. Warner's response to the Senator's letter asking that a communication from [redacted] be placed in her personnel folder. Mrs. Miller had previously been in touch with Senator Dodd's office on this case and was well aware of the problems involved. (Both Senator Dodd's and Senator Ribicoff's offices receive calls from [redacted] routinely.) I suggested that if further difficulty was encountered with [redacted] that the matter be referred to the Civil Service Commission since [redacted] is an annuitant retired for disability.
